REPORT OF COUNTY COMMISSIONERS

To the Citizens of Merrimack County:

In accordance with the Public Laws of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the Commissioners, Treasurer, Solicitor, Sheriff, Clerk of the Court, Auditors, Superintendent of County Farm and House of Correction, Farm Physician and Chaplain for the year ending December 31, 1949.

COUNTY FARM

Refer to report of Superintendent and Matron, which indicates a healthy and improving situation in general conditions at the County Home and other portions of the institution.

As mentioned by Mr. and Mrs. Fenton, the Christmas party was a huge success and we are greatly indebted to the Business and Professional Women and their associates for its continued success over a period of several years.

Farm equipment was added in the purchase of a spraying machine at an expense of approximately \$2,000.00 and it reflected in the quality and quantity of the crop from the orchard.

To further protect our orchard crop and also reduce our trucking and storage expense, a cold storage was installed to protect the apples and vegetables from the garden, at an expense of \$2,900.00. This is a real asset inasmuch as it is located close to the kitchen and it means that the fruit is taken directly from the orchard or garden and placed in cold storage promptly and there

remains until needed. This is a facility that has been badly needed.

Mention is made of the underpinning at the cow barn and painting which will be referred to later.

WELFARE AND RELIEF

Boarded children have averaged approximately 150 each month at an expense of close to \$5,000.00 per month including medical, clothing, etc., the standard rate being \$30.00 per month. During the summer, the Daniel Webster Home advised their rate would be increased to \$45.00 per month. At that time we had 33 boys and girls at the Home and thereupon requested the State to locate foster homes at the \$30.00 per month rate, thereby reducing the number at the Home to 10 children.

The Golden Rule Farm advised their rate would be \$60.00 per month plus medical expenses and we thereupon reduced the children there to 2 in number. Even with this effort, it resulted in the budget being exceeded, although through the efforts of our Social Worker, the Probation Department and others, there was collected \$5,625.49 or \$215.08 better than in 1948.

Both of the above items showed an increase as the end of the year was nearing.

WELFARE WORK PROGRAM

Inasmuch as the County was assisting numerous families of which the father was of such physical condition that he should be working to reimburse the County taxpayers for the assistance rendered, it was required that these men should work out the food and medical order at the rate of \$.75 per hour at the County Home or the Court House, whichever was the most convenient for them to reach. Those living in Franklin and Penacook have their fares paid on the Boston

& Maine Transportation Company bus at an expense of \$.20 per ride, plus their dinner at the Farm.

Generally, we have received cooperation from those receiving aid, but there were four cases that refused to cooperate. Therefore, we arranged for warrants and they were taken into Court under House Bill No. 319 which passed May 2, 1949, and each received sentence to the House of Correction for 90 days with 60 days suspended. Three of the four that served time went off relief and the other decided to work as requested at the Farm. On those that cannot be given transportation to the Farm or Court House economically, they are turned over to the towns in which they reside, as we have done in Danbury, Northfield, Pembroke and one on the outskirts of Franklin.

This program resulted in 29 families leaving the Relief list during the summer and early fall, however, during the eight months period we received 742 days at the Farm and 335 days at the Court House for various labor that had heretofore been hired out.

One item being the raising of the cow barn that had to be brought up in some places nearly 6 inches, under the supervision of the maintenance man. This estimated \$7,500.00 repair job was completed by the Welfare and House of Correction labor at a total expense of \$1,600.00 for 8 inch "I" beams and lally columns. We were, however, fortunate to obtain the use of hydraulic jacks which greatly assisted in the work.

Another item was an estimate and bid for painting of \$5,000.00 which these workers completed at an expense of \$1,000.00 for paint and brushes. These men were also used at other jobs around the Farm and garden.

At the Court House, store rooms were cleaned out of an old accumulation, some of which dated in 1865. Three truck loads were disposed of after receiving an order from the Court. In this building many of the

rooms have been painted and ceilings whitened at a minimum expense for only paint and brushes, as also improvements in the basement that would have been expensive to hire. The painting of furniture continues as other work permits and additional workers find themselves on the Welfare list.

We feel that this program not only saves the County considerable in expense for labor, but it has the effect of many leaving the Welfare rolls inasmuch as they are required to work out their orders. It however requires constant checking and some definite orders as to what will be done in case they do not comply with our request. This of course, only if they are physically fit and when in doubt they are sent to a physician for examination.

BUDGET

Several items were exceeded, in particular the boarded children as previously mentioned. Also expenses of Superior Court for Jury, Council, Stenographer, Clerk of Court and Sheriffs were exceeded largely on account of the length of the Story-Cote trial. We are however hopeful that some of this expense may be collected from fines at some later date.

At the Farm consideration is being given to the installation of a pasteurization plant, having in mind that by so doing we might be able to avoid the trucking of our milk to Manchester and returning with the pasteurized milk, as we are required, by State Law, to serve pasteurized milk at our Institution. Our efforts will be continued in this and other items, of reducing expenses.

We are thankful in being able to retain Mr. and Mrs. Fenton as Superintendent and Matron. The State's loss is our gain by his declining to accept the position of Warden at State Prison.

ARTHUR W. PERKINS,
GEORGE W. PHILBRICK,
DONALD W. SALTMARSH,
County Commissioners.

*To the Board of County Commissioners,
Merrimack County:*

Gentlemen:

We find ourselves at the close of another year which has been a busy but happy one at Merrimack County Home. Our recreational program has followed the pattern of former years with movies, dances, and parties the climax of which was the Christmas Party sponsored by Concord's B. P. W. Many thanks to everyone who so generously contributed to make it such a success. Due to the generosity of many Merrimack County citizens, much happiness is afforded those in the Home.

Under the able leadership of our Maintenance man, and with the assistance of Relief workers and House of Correction men, lally columns and iron eye beams were installed under the main cow barn to give it much needed reinforcement. Our Board Chairman secured the use of six jacks from the Boston and Maine Railroad Office in Concord which greatly aided in this project. May we express our appreciation to them at this time.

The other major repair project has been the painting of the buildings. During the year the exterior of the Superintendent's cottage, barns, sheds, jail and Tower cottage, as well as the interior of the first floor of the main building, were painted.

In the spring of 1949, we purchased a new orchard sprayer which aided greatly in producing a bumper crop of excellent quality apples.

During the summer we were able to install a cold storage plant with which we have maintained a superior quality of fruit and vegetables over an extended period of time.

Much of the Jail and House of Correction has been painted, one room was renovated and equipped for a barber shop and a room in the basement has been made into a work shop where new and repair jobs have been

completed by the prisoners for the Jail and House of Correction.

We are proud to have our dairy herd first in the State D. H. I. A. Program with a herd average of 483 lbs. of butter fat per cow. We were also awarded a certificate in the N. H. Green Pastures contest.

We have been happy to cooperate with the State Hospital, N. H. Alcoholics Commission, Board for Inebriates, and other institutions in assisting with their rehabilitation program.

We would again like to extend an invitation to everyone to visit the Farm and learn what we are doing for "seeing is believing." You will find all of the Farm Personnel most cooperative.

In conclusion, we would like to express our appreciation to the County Commissioners; State, City, Town and County officials; Dr. J. K. McLeod, County Physician; Dr. Shaw; the Clergy; Farm Officials; and all who have contributed to the success of this institution during the past year.

Yours respectfully,

PAUL J. FENTON,

Superintendent.

BERTHA W. FENTON,

Matron.

Indictments were found by the Grand Jury against the following persons: *Inez Brennan*, for murder; *Robert Dether*, alias Robert Brennan, for murder; and *George Dether*, alias George Brennan, accessory after the fact of murder. These respondents are now incarcerated in the State of Delaware, to be released to New Hampshire at the expiration of the Delaware sentence. Eighteen (18) indictments were returned against *Donald W. Saltmarsh* for embezzlement, the disposition of which was not effected during this calendar year.

In the discharge of the duties of the Solicitor's office several petitions were filed with the Superior Court pursuant to Chapter 314 of the Laws of 1949 entitled "An Act Relating to the Care, Treatment and Rehabilitation of Psychopaths." The County incurred unanticipated expenses for medical and legal services necessitated by this statute. It is recommended that necessary action be taken by the Commissioners to meet these continuing expenses.

During the year the Solicitor prosecuted a total of sixty-three (63) offenders in the several Municipal Courts within the County, the majority of which involved non-support, assault and battery, petty larceny, and disorderly persons. One hundred ninety-three (193) bona fide complaints were lodged directly in the office of the Solicitor. Investigations were initiated by the appropriate agencies and Court action was effected where necessary. The usual number of misdemeanors were appealed to the Superior Court, several of which are now on the Superior Court docket. Because of the length of the trial of the indictments against Stephen B. Story and Donat F. Cote, no appeal cases were heard at the April Term. Relatively few appeal cases were disposed of during the October Term, with a resultant heavy appeal docket at the close of the calendar year.

Improvement in the administration of criminal law was achieved during the calendar year by the enactment of statutes relating to sex offenses, non-support laws and the so-called blood test in drunken driving. A concerted effort should be made by all interested agencies, however, to effect a change in paternity proceedings at the next legislative session. The present paternity proceedings are believed to be cumbersome and antiquated, with resultant increased tax burdens on the towns and counties.

Respectfully submitted,

RAYMOND K. PERKINS,
County Solicitor.

CHAPLAIN'S STATEMENT

Beginning Sunday, February 6th, 1949, it was my happy privilege to conduct the bi-monthly services at the Merrimack County Farm. This ministry continued until the vacation period.

The services were kept brief and as varied as possible. Members of my church and choir often assisted me making the ministry more helpful to the inmates. The high spot in this period was the day the Christianaires Male Quartet accompanied me. On that day we were able to extend the ministry into the wards where the quartet was greatly enjoyed by those not able to attend chapel services.

On occasion the Chaplain was called into the wards to read and pray with patients. It is to be regretted that more of this ministry was not accomplished.

Special attention was given to the few children present on one or two occasions, the message being illustrated with "flannelgraph."

REV. EVERETT B. MOORE,
Concord, N. H.

Acting Chaplain, Feb., 1949
to the Summer Vacation.

Rev. Clinton Morrill of St. Paul's Church, Concord, and Mr. J. Hamilton Lewis of the Christian Science Church, have, at frequent intervals, rendered spiritual aid and comfort to many at the Home.

Since the Summer Vacation, Rev. J. Lincoln Thomas, of the Boscawen and Canterbury Churches, has served us regularly as Chaplain. His report follows:

REPORT OF SERVICES AT THE MERRIMACK
COUNTY HOME

I have held services on the first and third Sundays of each month at two o'clock in the afternoon since the first of October. These services have been made up of singing, scripture, prayer and a brief message. The talks have been about helpfulness, contentment, finding God, God's love, getting along with others, how God speaks to us, and have been illustrated by some story. At the Christmas service the young people of the Boscawen church assisted by presenting a pageant of carols. Occasionally some of those attending the services have wanted to talk with me and I have remained in the hall to enjoy that privilege.

REV. J. LINCOLN THOMAS,
Chaplain.

REPORT OF THE PHYSICIAN

To the Commissioners of Merrimack County:

Gentlemen:

I submit herewith my report as physician at the Merrimack County Farm for the year 1949.

There have been no drastic changes made in our hospital during the year, and I feel that its operation has been carried on satisfactorily in every respect.

We have been fortunate in retaining the same capable nursing staff throughout the year. Their work has been performed efficiently, and high standards have been maintained.

There have been no serious epidemics during the year.

I am most grateful for the excellent cooperation of the Superintendent, Matron, nursing staff and Board of Commissioners.

Yours respectfully,

J. KENNETH McLEOD, M.D.
